

Knowledge Management Officer - On Demand

Awareity's KMO - On Demand helps your 'Top Line' improve your Bottom Line.

Every organization needs a Knowledge Management Officer (KMO), unfortunately:

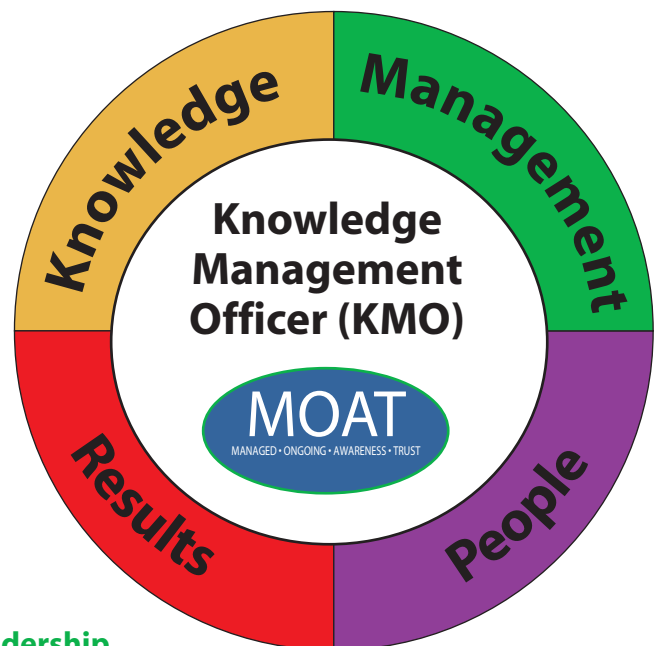

- Very few organizations have a KMO
- Very few organizations can afford a KMO
- Very few qualified KMOs are available

Awareity's KMO – On Demand targets:

- Limited Resources
- Limited Budgets
- Biased Leadership
- Department Silos
- Jurisdictional Silos
- Political Silos
- Too many Chiefs

The KMO – On Demand enables collaboration and knowledge sharing across departments and entities:

- Emergency
- Fire
- Safety
- Risk
- Compliance
- Continuity
- Transportation
- Health Care
- Law Enforcement
- Legal
- Boards
- Information Technology

Contact Awareity at info@awareity.com or 402.730.0090 for more information on our next-generation knowledge management tools that will empower forward-thinking leadership.
